

## UTILITY GUNDOG SOCIETY (EASTERN COUNTIES BRANCH)

Herewith our working test schedule for the coming season. As can be seen we do not start until after the proposed date for coming out of lock down. All being well, we hope to see you competing again and catching up with old friends. We will have to wait and see if there are still some restrictions in then and we may well need to put some of our own in place for the benefit of everyone, but all will become more apparent nearer the time and any details will be included with the draw.
